

Resolution 2015-85-06

Wabash County Commissioners

April 13, 2015

Whereas, the Wabash River is recognized as one of Indiana's favorite natural resources, flowing over four hundred miles through the boundaries of nineteen counties;

Whereas, the Wabash River is an attraction for citizens interested in tourism, recreation, wildlife, and history;

Whereas, the Wabash River Heritage Corridor Commission of the State of Indiana, working in conjunction with the Indiana Department of Transportation and the Indiana Department of Natural Resources, is desirous to designate a Wabash River Road through the nineteen counties that the Wabash River flows;

Whereas, the Wabash River Heritage Corridor Commission seeks the approval of County Commissioners, Mayors, and Town Councils for the designated route of the Wabash River Road through their jurisdiction;

Whereas, the Wabash River Heritage Corridor seeks to supply signage for Wabash River Road to counties, cities, and towns to mark the designated route when it is complete;

Whereas, the Wabash River Heritage Corridor Commission desires to publish a digital or traditional map of the Wabash River Road from the highest reaches of the Wabash River in Indiana to the Ohio River;

Therefore, the Wabash County Commissioners, hereby resolve to a designate a route through the commissioners' jurisdiction in Wabash County per the map or description attached by addendum to this resolution marked "Wabash River Road Route", on this date, April 13, 2015.
