

ORDINANCE NUMBER 85- 09 -2016

**AN ORDINANCE AMENDING THE
WABASH COUNTY WECS ORDINANCE**

Be it ordained by the Board of Commissioners of Wabash County, Indiana as follows:

General Ordinance Number 85-2, 2010, adopted March 8, 2010 and entitled An Ordinance Regulating Wind Energy Conservation Systems in Wabash County, Indiana, and being an amendment to the Wabash County Zoning Ordinance, is hereby amended as follows:

Section I-A, WECS INTRODUCTION, "The Purpose" is amended as follows: delete Item 2 and 3 from the Ordinance.

Section VII-9-A WECS STANDARDS, "Noise and Vibration" is amended to read as follows:
At no point outside of any Primary Structure shall the sound pressure levels from a wind turbine or any of the components that make up a NON-COMMERICAL or COMMERCIAL WECS exceed 32 decibels on the "A" weighted scale.

Section VII-10 WECS STANDARDS, "Shadow Flicker" is amended to read as follows:
For COMMERCIAL OR NON-COMMERICAL WECS
Landscaping or fixtures shall be designed and installed, to the satisfaction of the infringed property owner, at the WECS Project owner's expense to counter the effects of shadow flicker on any neighboring residential or business structure in which shadow flicker creates more than fifteen (15) minutes of nuisance in a twenty four (24) hour period, five (5) or more days in a calendar year.

This amendment shall be in full force and effect upon passage, according to the laws of the State of Indiana.

Passed by the Board of Commissioners of Wabash County, Indiana this 17TH day of October, 2016.
